

The Eye-to-Eye Directory © Clubs, Societies, Charities, and Organisations serving Suffolk Communities in and surrounding Eye 2024 Digital Edition

Layout / format: If you wish to print out a copy of the Directory, please note that is laid out to be printed in A5, not A4.

Contents: Organisations listed in this Directory may be found in the [CONTENTS](#) section on the next two pages. Entry numbers mirror those contained in the 2020 printed edition that has been withdrawn due to the very large number of changes that have taken place since it was published. If you click on any one of the items listed in the contents section, this will take you to the entry itself. New entries have a suffix (A,B, etc) rather than a new number. If a number is missing, it means that the organisation listed in 2020 has suspended its activities or it has ceased to exist. A handful of organisations have not yet confirmed that the information in the Directory remains valid; those affected have been moved to a separate section near the end, and the entries may be removed if content cannot be verified.

E & OE: The publisher has taken every reasonable precaution to ensure that the content of this Directory is accurate. Any decisions you make after viewing the content are your responsibility, and the publisher cannot be held liable for any inaccuracies contained herein. **If you spot any errors, omissions, or links that have ceased to work, please advise the publisher, Adrian Beatty, via email [HERE](#).** Thank you.

If you would like to receive details of updates to the Eye-to-Eye Directory as they occur, and you are not already a member of [Eye-to-Eye](#), you may like to subscribe to now. Eye-to-Eye can alert you to the many events taking place within our communities, as well as providing you with a link to the latest directory.
